Dear Mr Trung

I acknowledge receipt of your email of 11 September 2012.

As you have been advised already, it is not open to you to appeal to the Supreme Court. The order you wish to appeal is not an order refusing to issue a writ of *habeas corpus*. If you look at scan 2.pdf, it is paragraph 19.4 which applies.

This Court cannot entertain your application and, as you have been advised on previous occasions, we are unable to help you. Further correspondence will therefore receive neither an acknowledgement nor a reply.

Yours sincerely

Louise di Mambro
Registrar of the Supreme Court of the United Kingdom

Mr Hoang Danny Hizo Trung
