Dear Sir/ Madam,

RE: Hoang Danny Hizo Trung ~V~ Administrative Court

I'm writing to state the conditions of which I may proceed at the Supreme Court.

The matter in concern is a restraining order dated 18 October 2012 from Feltham Magistrates Court which I applied for an order of *certiorari* at the Administrative Court where Permission was refused on the 27 March 2012 by Justice Mitting. *Certiorari* being a writ of Habeas Corpus, thus enable me to be freed from restraint of the restraining order.

Bound by the conditions above I wish to proceed at the Supreme Court under UKSC Practice Direction 10.3.1. Since the case concerns a writ of habeas corpus, I also wish to proceed at the Supreme Court under UKSC Practice Direction 3.6.17, 12.2.2 and Section 15 of the Administration of Justice Act 1960.

This application is made in accordance with UKSC Practice Direction 2.1.9.

Yours faithfully,

Hoang Danny Hizo Trung.
